

Prague 30.12.2014

Dear Business Partners,

We are pleased to inform you that on 31.12.2014 the restructuring process of Advanced AIRSEA Solutions, s.r.o. will be complete. The following three new companies have been set up as part of this process:

- Advanced Airsea s.r.o., Company Registration No. 03301061, with office based on Jugoslávských partyzánů 1426/7, 160 00 Prague 6,
- Advanced Road s.r.o., Company Registration No. 03311996, with office based on Jugoslávských partyzánů 1426/7, 160 00 Prague 6, and
- Advanced Airsea (*Slovakia*), Company Registration No. 47880571, with office based on Palárikova 21, 811 05 Bratislava.

Advanced Airsea s.r.o. focuses on providing services in the field of maritime and air transportation, Advanced Road s.r.o. provides services in the field of road transport while Advanced Airsea (*Slovakia*) targets customers based in the Slovak Republic.

Given that all current Advanced AIRSEA Solutions s.r.o. employees have transferred to the newly created businesses which have processed your orders in the past, we are able to guarantee one-hundred percent continuity in terms of the services we provide. This means you can continue to call upon staff members you have become accustomed to working with. All e-mail and telephone contacts will remain unchanged.

We're confident that the newly created structure will contribute to streamlining and improving our services.

Please find attached as separate documents the detailed contact information of the individual companies. We ask you to distribute such documents to the relevant staff members (above all from the accounting department) making sure to indicate to them that only these new details will apply starting from 1.1.2015.

Should you have any questions or additional requested, please feel free to contact me on wiedermann@airsea.cz or by tel. on +420 603 806 440.

Best regards,

Advanced AIRSEA Solutions, s.r.o.
Jakub Wiedermann
CEO
